

KEY WEST WOMANS CLUB

PRESIDENT, AUNDREA WAGNER

Hi Sisters,

What a season we had! As we close out the 2024–2025 club year, I just want to say...we did it!! What an amazing season of connection, service, and purpose. This club proves time and time again, women really do get things done!

As we continue to celebrate 110 years of the Key West Woman's Club, I just want to say how thankful I am for the strong, generous women who came before us and the KWWC sisters of today. Because of them, and because of all of you, our club continues to grow, give, and make a difference. We are a service organization, and our mission has always been to give back. This year, thanks to your time, energy, and support, we raised money that went directly to nonprofits, schools, and programs that help our island and the people who call it home.

I want to thank every single volunteer...whether you chaired an event, worked behind the scenes, brought food, ran the bar, set up chairs, or stayed late to clean up. You gave your time, and it made all the difference.

In this April newsletter, we will be shining the spotlight on our annual club awards luncheon and the women who went above and beyond this season. While we are celebrating a few standout members, I want to take a moment to recognize every single one of you who gave your time and heart to this club. Not every act of service comes with an award or round of applause, but please know — your efforts never go unnoticed. You are seen, appreciated, and so valued.

Although we will not have regular meetings again until Wednesday October 1, 2025, we still have plenty of great things going on and ways to for you to stay connected over the summer. Keep an eye on your email and our Facebook page to stay up to date.

Wishing you all a joyful, restful, spring and summer. Whether you're near or far, remember — the spirit of this club is always with you. Keep doing good, keep lifting others, and keep being the incredible women you are. I can't wait to see what we do next... together.

*Sending love and gratitude
Andrea*

WOMEN GET THINGS DONE-

PAUL EATON, RETIRED MAJOR GENERAL
UNITED STATES ARMY

WOMAN OF THE YEAR

Woman of the Year – The most prestigious honor, given to a leader whose vision, strength, and dedication have defined the Key West Woman’s Club. She represents everything our club stands for: leadership, service, and the power of women coming together to get things done and create change

DR MARLENE THORN

Each year, we recognize one remarkable woman whose leadership, service, and dedication have left a lasting mark on our club. This year’s honoree is a true standout—someone who brings brilliance, heart, and a whole lot of hustle to everything she does.

Dr. Marlene Thorn has been a driving force behind so many of our club’s successes. She was the visionary behind our four-day Key West Historic Days Celebration, helped meticulously revise our 2025 Key West Woman’s Club Cookbook, and has used her incredible marketing talent to put the Hellings Curry Museum firmly on the map.

She’s also the founder of one of our most meaningful traditions—the annual Docent Appreciation Event—now in its third year. Thanks to Marlene, our docents feel seen, celebrated, and valued for all the ways they support our mission.

Marlene is the kind of woman who keeps things moving, keeps people inspired, and keeps me sane. I’ve leaned on her insight more times than I can count, and I’m endlessly grateful for her wisdom, kindness, and that wonderfully strategic brain of hers.

This woman truly gets things DONE—and we’re proud to honor her as our 2024–2025 Woman of the Year.

*You are the BEST!!
Thank you Marlene!!*

TOP HONORS

PATTY NEYRA

WOMEN GET THINGS DONE AWARD **Honoring a club member who faced challenges head-on, turned obstacles into opportunities, and made a lasting impact.**

I had the honor of presenting the very first Women Get Things Done Award—a new tradition to recognize the women in our club who go above and beyond in service, creativity, and commitment. Our first recipient was someone who saw a need and took action. She launched the Hellings Curry Museum Business Membership Program, creating a new and lasting way to support our mission. On top of that she is an amazing marketing committee member, event sponsor, Business Member, fundraiser and event planner! I am so grateful for her support, her ideas, and her commitment to our mission.

DEE JOHNSON

LIFETIME ACHIEVEMENT AWARD **Honoring a woman whose years of dedication, design and generosity have helped shape our club. into what it is today.**

She has sewn, fluffed, hung, trimmed, and transformed so many of our rooms over the years. You can still see her beautiful work in the Wicker Room—and let's be honest, no one does a table centerpiece quite like her. At 85 years young, she brings more spunk and sparkle than most people half her age. Whether she's sewing curtains, decorating for a holiday event, or just making us laugh, she makes this club more beautiful in every way. She is truly one of a kind, and we are so lucky to call her ours.

BETINA JUSTICE

COMMUNITY CHAMPION AWARD **Celebrating a volunteer whose service extends far beyond KWWC, supporting multiple organizations and making a lasting impact in our community.**

Our Community Champion Award honors someone whose heart for giving back is simply unmatched. She's the kind of woman who doesn't just say she cares, she shows up, gets to work, and changes lives in the process. She gives to us, and she gives to countless other organizations across this community. Her generosity is constant, her energy is contagious, and her impact? Immeasurable. She founded Eleanor's Boutique, turning a simple clothing donation idea into a beautiful shop that raises funds to help preserve our historic home. But it doesn't stop there—she donates prom dresses to students in need, provides professional wear to Samuel's House for women rebuilding their lives. She does all of this with a smile, with style, and with that undeniable spark. Around here, we have a saying: Don't underestimate her. Because when she's involved, the results are nothing short of amazing.

VOLUNTEER OF THE YEAR AWARD

ANNITA TSCHANZ

Recognizing a member whose selfless dedication, endless energy, and efforts have strengthened our club. She's been a longtime member of our club and never hesitates to step up. She launched what we now call Pack the Bag, a beautiful project that provides essentials to those in need. This year alone, she and her team packed 150 bags, each one filled with care and purpose, thanks to everyone here who donated and helped make it happen. She's also the proud new den mother of our Teddy Bear Project, making sure 150 dressed-up bears are ready each year to be shared with first responders, who give them to children or anyone in need of a little extra comfort. She brings that same heart and talent to everything she does from baking the most delicious cookies, and cakes, to decorating events with her beautiful touch. In fact, she was the Chairwoman of our beautiful Awards Luncheon. She is an inspiration. She is such an important part of this club, and we are beyond thankful for her.

PRESIDENT'S AWARD

A special recognition, given to a woman whose leadership, generosity, and commitment have been the heart of our club for many years.

SUSAN COLLIER

This award goes to a woman who is always there when I need her. There is truly nothing she won't do to help, whether it's jumping in behind the scenes, offering guidance, or just being that calm, steady voice I can count on. She served as our club treasurer for years, Now, as our First Vice President, she continues to lead with heart, loyalty, and a deep love for this club. She gives without hesitation, shows up without being asked, and supports not just me, but all of us! It was my absolute honor to present the President's Award to someone who means the world to me...Susan Collier

DOCENT OF THE YEAR

Given to a volunteer docent whose is passionate about history always stepping up to fill in where needed and helps to keep our museum open.

TEO CHAPA

Teo is a volunteer whose passion for history and storytelling brings Key West and the Helling's Curry Museum's history to life. He shares our past with visitors from around the world, making sure Eleanor's stories continue to be told. He is always the first to step in when we need a substitute volunteer.

KEY WEST HISTORIC DAYS

What an event we had! I hope all of the KWWC and the KW Community that attended our 110 Anniversary Celebration, had as much fun as I did and learned as much as I did.

It is impossible to list all of the names of those of us who volunteered so many hours, talents and service to making the 4 Day Celebration memorable. Thank you to The Day Captains: Susan Collier, Aundrea, Barbara McShea, and my Co-Chair Sharon Smarsh. They worked very hard with their Committee's and other volunteers. All were dedicated to the event and it showed.

Marlene Thorn

Our KW Community Partners also worked hard to make this event a grand KW event for the KWWC. I could feel how much our Partners wanted this to be a big success. Our Partners are really rooting for us. Some of our Partners say they plan to continue aspects of the events they delivered for our Historic Days Celebration as part of their organizations ongoing plans.

I have heard some unsolicited feedback coming from people in the Community, who are not KWWC members. Following are some comments I have heard:

"People are talking about how wonderful the KWWC 4 Day Event was"

"The KWWC's image as a "special guild for a few women" has turned into a Community Asset "

"The KWWC's is being seen as a big community player and a Community Catalyst for many other ideas, museums, attractions, and the donations to non-profits." (We know we have been doing this for years, but now the Community is knowing this and recognizing it in a big way).

"The KWWC is a Community Catalyst with its donations to non-profits is approaching similar to how the TDC has been a catalyst for many good things in the community.

"The panel presentations, the food, the music, all complemented each other."

Pat yourselves on the back KWWC!! We have achieved many things in the KW Community and the community is recognizing it in a big way.

Thank you, Thank you, Thank you KWWC. Happy Anniversary to us.

And thank you to all who put the house back together again and in full swing for the docents to carry on their good work and for other events to continue just the Monday after.

P.S- as with all our public events, the Marketing Team and those of us involved in the planning do a debrief/feedback session on what worked best and what could we do to improve. If you have some feedback/thoughts please send them on to me thornmarlene26@gmail.com We may not be doing this event again, but it will help for other events.

CLUB MEMBERSHIP NEWS

KEY WEST WOMAN'S CLUB

It's Spring and we have so much to look forward to! There are almost endless opportunities to volunteer. And while not everyone has begun logging their volunteer hours, probably leaving thousands still uncounted for this season, at least 130 of you have generously recorded 4300 hours since October. Thank you for helping us qualify for grants to fund our beautiful clubhouse, the Hellings Curry Museum. If you're new to logging hours online, go to <https://bttr.im/wvxre> on your computer/laptop or iPad to easily create your own member profile. Then the next time you can log in at myimpactpage.com. If you prefer to use the mobile app, go to your App/Play Store and look for "My Impact."

KIM GORDON

Last September, many members kindly completed my survey, giving our club leadership a better understanding of how to serve your needs. In fact, that's how the KWWC Sisters program was born. It's our club's first mentoring program. Each new inductee is matched with a long-term member, or Big Sister, who introduces them to new friends and fun club experiences. And if you've been a member for at least three years, you can become a big sister. With so many wonderful new women joining our club, the Big Sisters are our official welcome brigade!

Over the last year, your Membership department has been working hard for you and with you. We replaced the outdated method of tracking volunteer time, and now we all have an easy, online way to log our hours. Also, last summer Membership began working collaboratively in Google Drive and started sharing information in real time with other departments. In addition, we now have information tracking systems in place to help us support you.

Are you thinking about becoming a member? There's a new online application. Just go to keywestwomansclub.org, click on membership and fill out your application there. Once you've completed your three meetings and ten volunteer hours, you can email me your application at KWWCmembership@gmail.com. If you send it to me by mid-September, you could be inducted into the Key West Woman's club in October!

Thank you for all you do to help our community.

Bronze Business Member the College of the Florida Keys.

The College of the Florida Keys (CFK) has been a cornerstone of education in Monroe County since 1965, serving diverse educational and workforce needs. Offering a comprehensive range of programs, CFK provides bachelor's and associate degrees, certificates, career training, and personal enrichment courses. The institution's offerings span various fields, including marine science, diving, engineering, nursing, business, education, hospitality, culinary arts, and law enforcement. CFK's commitment to accessibility is evident through its multiple locations in Key West, Marathon, and Key Largo, as well as its virtual learning platforms. The College also houses CFK Academy, a tuition-free public charter high school, on its Key West Campus. What sets CFK apart is its dedication to a small, personal, and hands-on approach to teaching and student support. This philosophy fosters a unique learning environment that adapts to the changing needs of students and industries. As a unifying force in the community, CFK has forged strong partnerships with numerous businesses, organizations, and agencies. These collaborations aim to improve lives and strengthen the economy in the Florida Keys, underlining the College's role as a vital contributor to the region's growth and development. SAVING ELEANOR

The Hellings Curry Museum, home of the Key West Woman's Club, has been honored with the highest award for historic preservation and restoration by the Historic Florida Keys Foundation. This prestigious recognition celebrates the care and dedication involved in preserving our historic home and club house, one of Key West's few remaining brick structures. The award includes a Ceramic Star and a Certificate of Excellence, acknowledging the collaborative efforts of architects, designers, builders, and craftspeople who contributed significantly to the project's success. Maintained by the KWWC since 1940, our museum is more than a piece of architectural history it is a vibrant part of the community, reflecting the ongoing dedication and spirit of our Key West Woman's Club.
